

Children at Becontree Church

Children are important and valued members of the church family. All children of any age are welcome and we work hard to help new arrivals and settle them into the children's group.

Sunday

We provide an excellent Sunday School, Becontree Kids, to grow them in their understanding of Jesus Christ, and to help them live for Him.

Becontree Kids takes place during our 4pm service. All ages stay together for songs, prayer, short children talk and bible reading. They then leave, usually in a flurry of activity, to go to their own group.

Each lesson follows the same bible teaching as the adults. They'll learn together from the Bible with related activities. The aim is to help them to grow to love and live for Jesus. At the end of the lesson they return and tell the adults what they've been doing. They then stay in the service as we pray and sing together.

We take the safety of our children and leaders seriously. All leaders have up to date DBS checks.

Becontree Boppers

Our toddler group is 30 minutes of singing and dancing with an interactive story to engage even the youngest child. This is followed by 30 minutes of play for the kids and a cup of tea or coffee for the adults as we get to know each other.

Friday

We have monthly groups on a Friday

Kids club: Kids group for children in reception - year 2. First Friday of the month. 5:30-6:30pm. One hour packed full with crafts, games, a bible story and some silliness for good measure.

Youth group: For school children in years 3-6. Second Friday of the month. 6-7:30pm. We have games, fun and a look together at what Bible stories really say. With a chance for kids to ask questions and to think about who Jesus is.

11up: For those in secondary school. Year 7 and above. Third Friday of the month. 6:30-8pm. We recognise this is a crucial stage in anyone's life, as they think through who they are and what they believe. We want to help our youth think through the basics of Christianity and what it means for them.

Becontree parties.

We love to get to know children within the context of their families and the wider community so every half term we try to hold parties. These are chances to come together and share what we've been doing whilst having a load of fun for all ages.
